

May 19-21, 2025
Hilton Cincinnati Airport, Florence, KY 41042

Greetings,

The Kentucky Professional Firefighters will be holding their 2025 Biennial Convention on May 19-21, 2025 in Florence KY. This event will bring firefighters from across the state to train, exchange information and reconnect with old friends and colleagues.

The Independence and Florence Firefighters are jointly hosting the convention and are looking for assistance in putting on a first class event for our attendees, retirees and other firefighters from the Greater Cincinnati area.

We are looking to add to our raffle items for the convention. We will be publicizing the items online via our Facebook page, the KPPF Convention website and in person public events prior to the convention. Ideally we are looking for items that can be used to raise money for our various charitable organizations.

Currently our biggest raffle item is a 2025 Polaris Ranger 1000 that is raising money for the Chip Terry Foundation for First Responders and we will be adding items as they become available. We are promoting the raffles via our FB pages and also have ticketing set up through Eventbrite.

We do have 501(c)3 paperwork for any item you'd like to donate or amount for us to purchase an item.

Please feel free to contact Tim Webster at 859-393-6810 or via email at twebs333@yahoo.com to discuss if you'd like to participate. We look forward to hearing from you.
